

Jim and Toni Demsky

Dear Aisling:

I am happy to recommend College Works as exterior home painters. You and your crew did a great job on our house and Toni and I would be glad to be references for future work.

You guys got the work done quickly and efficiently, didn't disturb any of the plantings around the house, cleaned up every evening, and showed a lot of professionalism along the way.

The attitude and enthusiasm with which you all approached the project was refreshing. We were especially impressed with your sincere effort to make sure we were satisfied with the work before you left.

Thanks for a job well done!

Sincerely,
