

Ben Kern

Dear College Works,

Thank you so much for the wonderful job on our house. Ben, Rob, and Brian exceeded our expectations. We've had lots of people work on our house for various projects and they are by far, some of the most hard-working people we've encountered.

Ben was the person who originally came to our house to talk to us about College Works: he took plenty of time to explain the process to us and to tell us what we should expect while the crew was working.

We couldn't have asked for a more polite, thorough, detail-oriented group. We got everything we paid for and more.

Overall, we are totally satisfied with the work they did. They perfectly matched the color of our house and garage and seamlessly blended the old paint with the new.

Thank you again for the hard work you did. We will absolutely recommend you to our neighbors and use you in the future if we need to.

Sincerely,

Craig and Jennie Meierhoffer
